

English

As Reader and Writers, we will be studying the fiction story of The Three Little Pigs Using the key features of the story to create our own. We will look at how the story is built.

What story, have you read which engaged fully? Bring your chosen book into school and summarise the key plot points and features of this.

R.E

As Theologians, our topic will be Christianity. We will discuss the people that follow Christianity and what they are called.

Discuss, at home, what you have learnt from the region Christianity.

Humanities

As Historians we will focus on our overarching question **How do artefacts help us understand the lives of people in Iron Age?** During the lessons, we will look at the different artefacts and the timeline of The Iron Age.

Discuss at home what Iron products you can see around your house.

Maths

As Mathematicians we will be examining multiplication, division, addition, subtraction, mass and capacity, fractions. Children we also be taught how to answer reasoning questions as well.

Ensure that adding and subtracting are regularly practised at home along with multiplication and division methods - this will make a huge difference and build a good foundation for later in the year.

Art and Design

As Artists we will be learning how to create an **Egyptian Scroll**.

Could you create your own code for people to follow and use?

P.E

As Athletes we learn how to play Hockey and learn the rules. Also, Fitness as well.

Can you play a different version of Hockey at home?

Science

As Scientists we will be focusing **on Plants**. Across the term, there will be a number of practical investigations for pupils to undertake. They will be able to apply their knowledge of **plants** in different scenarios.

Investigate what different types of plants are at home. What is the most/least you can find?

Year 3

Spring Term 2

Boxford Primary School

Kindness Respect Perseverance

Creativity Positivity

Music

As musicians we will learn different vocabulary such as **pitch, tempo, high, low and beat**. We will use these during our lesson and learn a song throughout the term.

You can help at home by understanding the different holds.

Computing

As technicians we will learn how about algorithms and debugging. To programme something and make sure it works.

Look at technology around your house? Does it need algorithms or not?

P.S.H.E

As moral citizens we will be investigating **Identity, society and equality: Celebrating difference.** We will look at what the similarities and differences between us.

Discuss at home how you and your family are similar and different?

French (KS2 only)

In French we will learn basic phrases to say hello, goodbye, counting 1 - 10

Can you discuss any French at home with your family?

Subject Vocabulary

English	Maths	Science	P.E	Humanities	DT	P.S.H.E	Music	Computing	French
Pigs	Adding	Plant	Move	Cross	Scroll	Wellbeing	Sound	Bug	Bonjour
Story	Subtracting	Soil	Ball	Christianity	Paint	Equality	Music	Debugging	Zero
Adventure	Multiplication	Leaves	Rules	Story	Code	Similarities	Pitch	Algorithm	Un
Fiction	Division	Roots	Push	Bible	Egyptian	Difference	Beat	Programme	Deux
Wolf	Method	Stem	Fitness	God	Paper	Identity	Rhythm	Computer	Trois

HOW CAN I HELP? Activities and discussion points are written in red at the bottom of each section
