

English

In English we will be looking at writing and structuring balanced arguments. We will be debating the controversial topic of screen use.

We will also be looking at a range of texts that will cover non-fiction topics such as the use of materials to fit in with our work in science.

Maths

As mathematicians, we will be looking at more complex methods of multiplication and division along with adding, subtracting and multiplying fractions.

Science

As scientists we will be carrying out a range of investigations to test the properties of materials. We will be looking at materials as insulators and conductors of heat, sound and electricity.

Dojo

Keep an eye out on Dojo for hints and tips on how you can support your child more at home, and for online activities to support your child's learning.

R.E

As theologians, we will be studying the Hindu faith.

Art, Design and Technology

In art and technology we will be looking at how artists use different techniques to convey movement in art. We will be producing our own 'moving' artwork.

P.S.H.E

During this term the children will be looking at identity, society and equality: Stereotypes, discrimination and prejudice.

Humanities

As geographers, we will be answering the question: What makes Fair Trade fair? We will be looking at global trade and how Fair Trade products support communities in developing countries.

Computing

This half term's our focus will be using data handling.

P.E

As athletes, we will be developing our skills in swimming and yoga

Music

As musicians, we will be learning to play a brass instrument!

French

As linguists, we will be looking at understanding and giving directions.

Year 5

Spring Term 1 2025
