

English

As Reader and Writers, we will be studying the poem ***The colour collector***. Using the key features of the poem to create our own poem. We will look at how the poem is built.

What poem, have you read which engaged fully? Bring your chosen book into school and summarise the key plot points and features of this.

R.E

As Theologians, our topic will be Hinduism. We will discuss the people that follow Hinduism and what they are called.

Discuss, at home, what you have learnt from the region Hinduism.

Humanities

As Geographers we will focus on our overarching question **Why are jungles so wet and deserts so dry?** During the lessons, we will look at the different climates around the world.

Discuss at home what climate do we have and can you compare this to other countries?

Maths

As Mathematicians we will be examining multiplication and division, looking at length and perimeter. Children we also be taught how to answer reasoning questions as well.

Ensure that adding and subtracting are regularly practised at home along with multiplication and division methods - this will make a huge difference and build a good foundation for later in the year.

Art and Design

As Technologists we will be learning how code a programme a micro: bit to make it flash.

P.E

As Athletes we learn how to play Handball and learn the rules. Also, Yoga as well.

Can you play a different version of Handball at home?

Science

As Scientists we will be focusing **on light**. Across the term, there will be a number of practical investigations for pupils to undertake. They will be able to apply their knowledge of **light** in different scenarios.

Investigate what different types of light at are home. What is the most/least you can find?

Year 3

Spring Term 1

Boxford Primary School

Kindness Respect Perseverance

Creativity Positivity

Music

As musicians we will learn different vocabulary such as **pitch, tempo, high, low and beat**. We will use these during our lesson and learn a song throughout the term.

You can help at home by understanding the different holds.

Computing

As technicians we will learn how about algorithms and debugging. To programme something and make sure it works.

Look at technology around your house? Does it need algorithms or not?

P.S.H.E

As moral citizens we will be investigating **Mental health emotional wellbeing: Strengths and weaknesses.** We will look at what motivate us, our own strengths and weaknesses and how we can improve.

Discuss what your aims are for this calendar year.

French (KS2 only)

In French we will learn basic phrases to say hello, goodbye, counting 1 - 10

Can you discuss any French at home with your family?

Subject Vocabulary

English	Maths	Science	P.E	Humanities	DT	P.S.H.E	Music	Computing	French
Poem	Adding	Light	Move	Religion	Code	Wellbeing	Sound	Bug	Bonjour
Story	Subtracting	Source	Ball	Hinduism	Micro: bit	Weakness	Music	Debugging	Zero
Colour	Multiplication	Mirror	Rules	Dharma	Computer	Strength	Pitch	Algorithm	Un
George	Division	Reflect	Catch	Karma	Light	Aim	Beat	Programme	Deux
Medicine	Method	Investigate	Throw	Brahman	Computer	Goals	Rhythm	Computer	Trois

HOW CAN I HELP? Activities and discussion points are written in red at the bottom of each section
